Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Sunday 09 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry this evening with winds picking up overnight.

This Evening and Tonight:
Any remaining showers will soon clear to leave a largely dry evening along with some clear spells developing. Winds strengthening by dawn with the chance of the odd isolated shower developing again too. Feeling mild. Minimum temperature 8 deg C (46 deg F).

Monday:
A breezy day with frequent showers, heavy and thundery at times. Some sunny spells too with the best of these in the afternoon. Showers easing by the evening. Maximum temperature 16 deg C (61 deg F).

Outlook for Tuesday to Thursday:
Remaining unsettled and windy at times. Some sunshine, although organised bands of showers merging into longer spells of rain at times too. Milder nights.
